

**UNITED STATES DISTRICT COURT**  
**DISTRICT OF NEVADA**

IRMA MENDEZ,

Plaintiff(s),

vs.

FIESTA DEL NORTE HOMEOWNERS  
ASSOCIATION, et al.,

Defendant(s).

Case No. 2:15-cv-00314-RCJ-NJK

ORDER

(Docket No. 61)

Pending before the Court is Plaintiff's motion to extend the discovery deadline. Docket No. 61. The current discovery deadline is September 11, 2015. Docket No. 61. Plaintiff, who is proceeding in this action *pro se*, requests a 60-day extension because she represents that opposing counsel has been less than cooperative during discovery. Docket No. 61 at 2. Plaintiff represents that she is still awaiting responses to her discovery requests despite meeting and conferring with opposing counsel. *Id.* Bearing in mind the great leniency afforded to *pro se* litigants when evaluating their compliance with the technical rules of civil procedure, the Court finds that Plaintiff has established excusable neglect and good cause as required by Local Rule 26-4. *See Harrison v. United States*, 996 F.2d 1224 n.1 (9th Cir. 1993). Accordingly, the Court hereby **GRANTS** an extension of the discovery deadline by sixty days, to November 10, 2015.

IT IS SO ORDERED.

DATED: September 11, 2015
